

THE PRESCRIPTION FOR A HEALTHY PRACTICE

"I would highly recommend Physician Practice Management and Reimbursement Specialists, Inc. to any medical practice interested in increasing their profitability in this time of shrinking reimbursements and increased competition."

Steve Hamel, CPA
Allegheny General Hospital
Pittsburgh, PA

Proven Track Record of Success

Physician Practice Management and Reimbursement Specialists (PPMRS) has improved overall billing performance for healthcare clients in Northeastern Pennsylvania for nearly a decade. Over 100 physicians have come to depend on PPMRS because we offer an excellent doctor-to-management counselor ratio – allowing us to provide detailed, billing integration and overall business and accounting support for you and your staff. Find out why doctors turn to PPMRS as the remedy for establishing and maintaining a healthy practice. Isn't it time for a second opinion on your accounting and business needs?

Why Doctors Depend on PPMRS:

- Experienced, professional team of accountants and healthcare managers
- Proven track record of success
- Most advanced financial management software integrators
- Have guided physicians from employment to private practice

"Your staff has exhibited the most professionalism I have seen in many years in the medical field."

Anne Vilinski, Office Manager
Philip C. Gutherz, M.D.
Honesdale, PA

WHAT THEY KNOW WILL HELP YOU BECOME A BETTER DOCTOR

Most Advanced Financial Management Software Integrators

PPMRS is an authorized provider of leading healthcare information systems to organizations like yours – assuring your data is secure and up-to-date. PPMRS also offers a full financial management program for all of your billing and collection needs.

PPMRS utilizes state-of-the-moment +Medic software from Misys Health Care Systems, Inc.

In today's economy, cash flow may in fact be a life saver for your practice. Physician Practice Management and Reimbursement Specialists' (PPMRS) professional team of accountants and healthcare management specialists have helped hundreds of doctors in making prudent business decisions while substantially improving cash flow. PPMRS frees up more time to spend on patient care and less time dealing with billing hassles. That's why when it comes to managing finances, doctors have come to depend on PPMRS.
